The Government of the Federal Democratic Republic of Ethiopia is hosting the Third International Conference on Financing for Development from July 13-16/2015 in Addis Ababa, Ethiopia. Delegates from UN Member States, United Nations Agencies, International Financial Institutions, Business CEO's and CSOs will be participating in this conference.

This is to certify that the Government of Ethiopia will issue Visa on Arrival to participants of the conference and its side-events who come from countries where Ethiopian Embassies and Consulates are not available. Delegates will be required to present a letter of invitation or accreditation to attend the conference or its side-events to the concerned authorities at Bole International Airport, Addis Ababa, Ethiopia.

All delegates who come from countries where Ethiopian Embassies and Consulates are resident or accredited are required to obtain entry visa in their respective countries or current location. However, those delegates who were unable to obtain entry visa due to unforeseen circumstances would be granted Visa on Arrival at Bole International Airport in Addis Ababa upon submission of letter of invitation or accreditation to the concerned authorities.

The esteemed Immigration Authorities are kindly requested to take note of this information and render their services to participants of the Conference and side events.
